

DANCE PLANNERS HUDDLE while outlining final preparations for the Antioch Lions Club Swimming Pool Benefit Dance. The festivities are scheduled this Saturday at 8 p.m. in the Lyons-Ryan Ford showroom. Receipts from dance tickets go towards the Aqua Center which was originally sponsored by the Lions. Among those involved in the Swimming Pool dance are left to right: (front) Joe Patrovsky, Leonard Roblin, Ralph Gresens; (back) John Wiecek, Ray Toft, Dr. Albert Bucar, Jack Fields, and Preston Reckers, Jr.

Lions Finish Dance Plans

The Swimming Pool Benefit Dance sponsored by the Antioch Lions Club is scheduled for this Saturday night at the Lyons-Ryan Ford showroom.

A swimming pool corporation was formed by the Lions Club to build, operate and pay for the Antioch Aqua Center pool.

This dance, the second of its kind, is put on to raise funds for the bond debt.

Music will be provided for the dance by Lions members. Refreshments will be served by the Lions.

The dance committee reports that it has completed its plans.

The dance committee is composed of Art Smejkal, Dr. Al Bucar, Preston Reckers, Joe Patrovsky, John Wiecek, E. C. Jacobs, Ray Toft, Leonard Roblin, Jack Fields, Ralph Gresens, Elmer Eberman, Morris

Pickus, and Albert Dittman.

Tickets are being sold by Lions Club members and at King's Drugs, and two banks as well as at the office of the Antioch News.

Rear Admiral Henry W. Goodall, USN retired, spoke about his experiences as a prisoner in World War II.

He also spoke of the current world situation.

Scofield Buys Permit Based On \$345,000

Mrs. Beth Scofield purchased a building permit for her Villa Holiday Gardens resort project from the village of Lake Villa this week.

The permit was based on an estimated cost of \$345,000 for the construction. The permit itself was \$787.50, according to village clerk Neil Reidel.

Mrs. Scofield, who wrangled with village board members at the meeting last week, must still buy electrical and plumbing permits, but this is dependent upon regulations which the village has yet to determine for such items.

School Officials Trailing Russian Flag Pranksters

It wasn't Halloween or April Fool's Day, but someone felt the urge to be funny. The result: a homemade Russian flag hanging from the Antioch Township High

ATHS Facts Gathered By Advisory Council

The newly organized publicity committee of the Citizens Advisory Group to the high school board of Education was to lay plans for an approach to the public in a meeting Wednesday evening.

Sven Osterlund, chairman of the publicity committee said that two major projects would be studied during the meeting.

1. Material to be used by public speakers who will outline the high school's problems and needs in coming weeks is being gathered and organized on "flip charts."

Reproduced in quantity, these speakers' guides will be available to all spokesmen for the Citizens' Advisory Group.

Osterlund has prepared the flip chart and will present it to his committee for approval.

2. A fact sheet covering questions and answers likely to be raised by the public about the high school project to be proposed has been created and was to go before the committee at Wednesday's session.

Members of the publicity committee are Osterlund, Eberman, Elizabeth Storch, and Winfred Bromstead.

The chairman of the Speaker's

committee is B. J. Hooper. His committee and the publicity committee will be coordinated for the use of this material.

Chorus To Give Handel's Messiah

Rehearsals for the annual presentation of Handel's Messiah will begin next Sunday at 2:30 p. m. Membership in the chorus is open to any adult living in the Antioch Township High School district.

The chorus will meet in the high school auditorium.

Property Assessment In Twp. Nears \$37 Million

\$3,229,755 Levy Passed By County

The County Board of Supervisors approved a 1959 budget calling for a levy of \$3,229,755 at Wednesday morning's session of their November meeting.

With advance work completed in earlier special meetings, the 33 members of the county board moved quickly to accept the outlined financial plan.

The actual budget appropriation was \$3,221,155.

The levy includes two separate divisions:

A figure of \$963,355 is planned for the payment of general county government expenses.

The greater amount of the levy goes for special functions of the county including many of the welfare and recreational institutions. The amount to be allocated for these purposes is \$2,266,400. This is called the "total levy."

The period covered by the new budget is Dec. 1, 1958 to Dec. 31, 1959.

Expenses for election day activities were approved by the board Wednesday. The total cost of the election day operation itself was \$25,250.20.

County preparations for the elections before Nov. 4 have already been okayed.

Several zoning petitions were approved by the board.

Bills were paid and money transferred from one fund to another in routine business transacted Wednesday.

The county board is expected to discuss the possibilities for new courthouse facilities in the wake of a resounding defeat for their \$2,550,000 bond issue in the Nov. 4 elections.

The subject did not come up during Wednesday morning's meeting, however, according to county clerk Garfield R. Leaf.

Emmett Moroney, chairman of the County Board of Supervisors, has said that the county board would investigate means by which the new courthouse facilities can be built "piecemeal" if the bond issue to finance a complete new structure were voted down.

The feeling among county officials and employees is still that the old courthouse is inadequate for its role in this expanding area.

Quadrennial Report Shows Fast Growth About Antioch

The assessed valuation of property in Antioch Township has reached \$36,955,640 in 1958. This record figure indicates rapid growth in this area.

The assessed valuation here in 1957 was \$32,172,892, according to Robert Jasper who heads the courthouse assessor's office staff.

The current assessed valuation includes the assessor's inspection of over 12,000 "parcels" of land in this township. Several hundred parcels have been added since last year's assessment.

A listing of each property parcel and its assessed valuation for 1958 will be published in a special legal section of next week's Antioch News.

The section is expected to be over 20 pages. The publication includes a complete description of the property location as well as the revised valuation.

New assessments for the whole county are made each four years. 1958 is one of these years. Taxes will be paid on the assessed valuation just completed from 1959 through 1963.

New property and property construction alters the assessed valuation each year, of course.

County Total Nears \$880,000,000

Antioch Township is the largest in area in the county. It does not, however, compare with some others in population or property development.

Jasper said that he felt "the Antioch area is keeping pace with county-wide growth."

In 1957, the total assessed valuation for Lake County was \$877,915,102. Jasper estimated that the 1958 figure when compiled will go above \$880,000,000.

It has been predicted that the assessed valuation will hit \$1,000,000,000 by 1960.

Tax Varies Among Townships

The actual county taxes to be levied on these new valuations varies in each township with the expenses which the local areas incur.

The county assessor's office, this year, said that they were beginning the long, difficult task of equalizing assessments in the various townships. They have tried to keep local assessors as "near to the market value as possible" in their assessments.

Fisherman Drowns In Channel Lake

A fisherman from Chicago was drowned in Channel Lake Wednesday morning of last week. His two companions were rescued from their overturned boat in a heavy windstorm by lake resort owners Barney Shunneson and Norman Christian and another boat manned by an unidentified party.

The victim was Charles Zeve, 57, of 4638 Cortland Ave.

The two men rescued were Bill Frank, 72, and Conrad Farlach, 58, both of Chicago. All three were frequent fishermen on Channel Lake, and known to the residents and resort owners there.

The 16 foot metal boat powered by an outboard motor should not have gone over even in the heavy wind and choppy waves according to Shunneson who rented it to the three men.

He attributed the capsizing to a freak accident, possibly a miniature wave spout.

When the boat went over, Farlach and Frank held on to the hull, but Zeve decided to try for the shore about a quarter of a mile away.

The boat went over in the "dead center" of the lake, just west of the mouth of Lake Catherine according to observers.

Shunneson, who saw it turn over, rushed to another boat while sending his wife to call Webb's Boat Service.

The other rescue craft apparently started from there.

When Shunneson and Christian arrived, Frank was just being taken aboard the other craft. The resort owners took Farlach in their boat.

"They couldn't have held on much longer with the wind and waves beating in their faces," Shunneson said.

Farlach and Frank were in good condition when they were brought in from the lake. They were taken into the boathouse to dry off and put on warm clothing.

An observer estimated that the 40 m.p.h. wind gusts were raising waves of three to four feet on the lake.

The fishermen had moved along the east shore of the lake and then headed into the waves towards the center of the lake before the boat went over.

He said though that Zeve should never have left the boat. The drowning victim got only a short way into shore apparently before going under.

Shunneson said that it was the first time in his recollection that any boat of this kind had ever capsized.

Two sons of Zeve were at the scene Thursday morning with members of a skin diving club to which they belong.

The boys swam in the icy water all day Thursday trying to recover the body.

They were unable to see in the swirling waters of the still stormy lake.

Friday and Saturday they and the Antioch Rescue squad employed the rescue squad's grappling hooks.

The body was recovered Saturday morning and taken to the Strang Funeral Chapel.

Scout Fund Business Drive Nearly Complete, Begin Home Solicitation

Business solicitations for the Boy Scout fund drive in Antioch is near completion. Contributions from residents in the village will begin as soon as volunteer workers can be organized for that purpose.

Richard Hawkinson, chairman of the business solicitation, said that his latest tally showed that over \$200 had been collected. This will be swelled by last minute contributions from other merchants, he said.

Letters asking residents to help solicit funds for the boy scout fund drive in their own neighborhoods will be sent out this week. Robert Gaston, general chairman of the fund drive, said that about 40 persons would be asked to work.

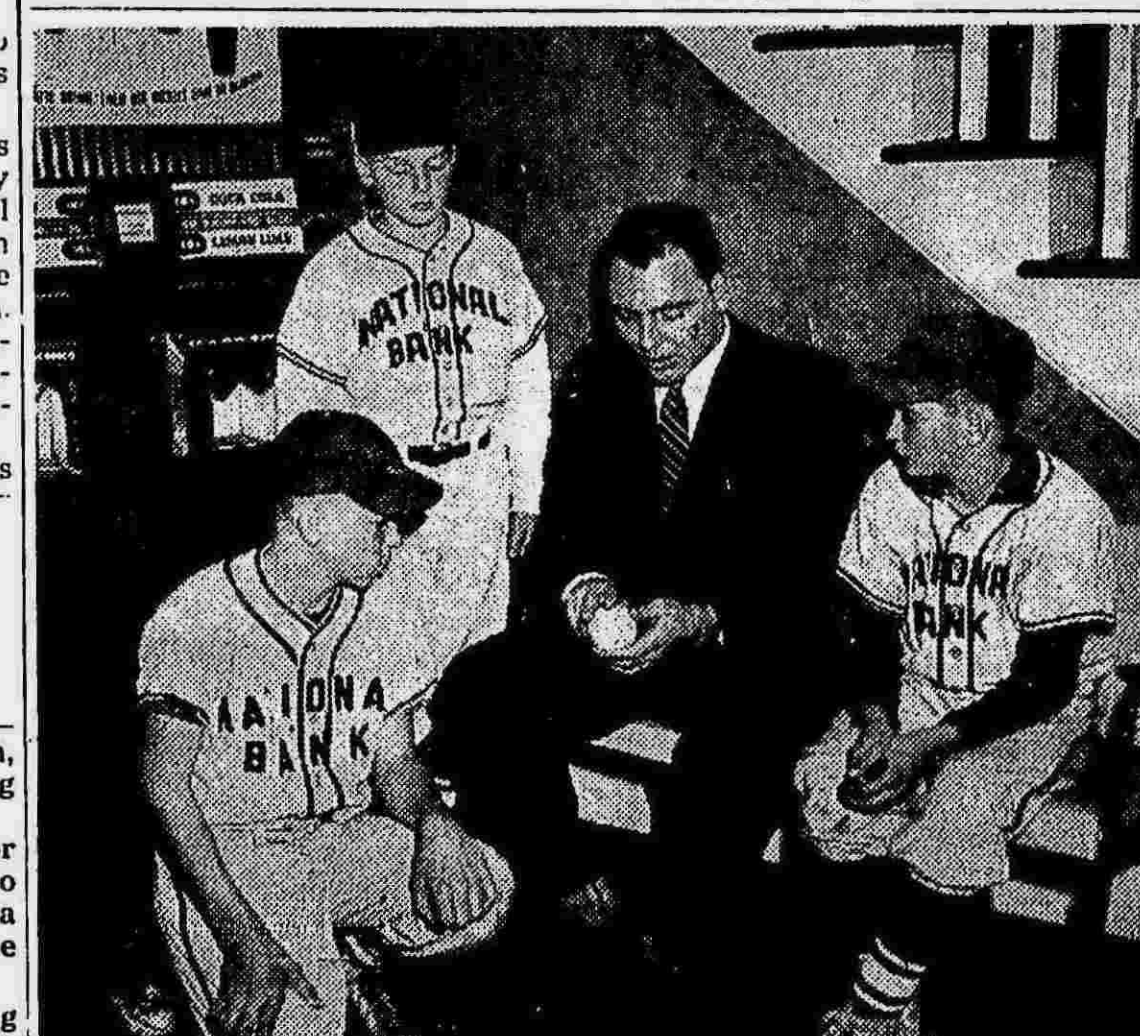

These workers will be marshalled under the organization of Bill Brook,

residential solicitation chairman, who prepared the letter requesting helpers.

A goal of \$2,000 has been set for the Antioch area. The money is to go into the North Shore Area Council treasury for use in the council area.

"Without this money, scouting wouldn't be possible," Gaston said. He described the need for records in the complex organization, the need for funds to train scout leaders, and the installation of camp sites and other scouting facilities.

With over 200 boy scouts in the Antioch area alone, the amount of money which could be collected here cannot possibly cover their average expenses of \$11 a year, per scout.

"GRIP A CURVE BALL this way," a big Yankee tells three of Antioch's little Yankees. The real Yankee is Zack Monroe, a rookie pitcher with the New York team which won the World Series. He appeared here last Sunday to help promote the movie "Damn Yankees" at the Lakes Theatre. Getting pitching instructions are (from left) Harlan May, Dave Clifton and Jim Bridges. The three young ballplayers along with the entire Yankee team were guests of honor at a three-car motorcade which brought the major league player into town and at the premiere showing of the musical movie which ends its run this Saturday at the Lakes. (A story of Monroe's visit appears on page 16 of this week's Antioch News.)

Voting Machines Needed

If Lake County voters were more or less evenly split between the Democratic and Republican parties, the election process here would be almost completely unworkable.

As it was, the election day last week and the long, long hours of tabulation which followed were a wrenching strain on the hundreds of precinct and courthouse workers who sought vainly to corral the hordes of white and blue ballots which swamped them.

Lake County has no voting machines even though it boasts one of the largest populations of any Illinois county. This is a disgrace.

In a presidential election, the number of voters here would have been increased by many thousands. A much larger slate of officials would have been on the ballots.

In any election there may be as many or more referendums than there were this year.

If the Democrats and independent voters were more numerous, the number of split ballots would have held up the returns for an interminable length of time.

Only the remarkable consistency of the precinct returns and the lack of any question as to the election winners allowed Lake County to stumble through the voting this time.

County clerk Garfield Leaf has estimated that the cost of voting machines for the entire county would be about \$400,000.

He feels that there is little chance of getting them for 1960.

But a county whose officials can contemplate a \$2,500,000 new courthouse building and whose residents can accept a forest preserve district referendum which may cost them \$250,000 a year in taxes certainly must be able to afford this vital tool of Democracy.

Freedom of choice is dependent upon the mechanical means of expressing that choice as well as the integrity of those who are in command of the government.

The entire election system in this state is

"A newspaper that never spoke its own mind would not be, to our notion, much satisfaction to publish or read."

-A Weekly Newspaper Editor

antiquated, and should be revised. But Lake County will get nowhere with even the best system unless it can produce voting machines for its growing population.

County officials, now secure in their positions and intent on other goals, had better pause to consider this widely recognized problem.

A Complicated Project

A squabble between Lake Villa village officials and the Holiday Gardens resort project planner began to form last week when members of the village board protested the failure to purchase permits for the construction now underway.

Mrs. Beth Scofield, the primary backer of the Resort Gardens, asked that sewage and water facilities be provided for her buildings when they are completed. In reply to her request at the village meeting, board members demanded that she first purchase building, electrical, and plumbing permits for the project.

Mrs. Scofield explained her failure to buy the permits as due to a lack of funds available for a short time. She has since received the needed money and has promised to buy the permits.

It is quite likely that figures ranging up to \$2,000,000 which other newspapers have estimated for the Holiday Gardens construction are, as Mrs. Scofield says, a gross distortion of the true costs.

If so, she should certainly give the village a specific estimate of the costs and undertake payment of all the required fees proportional to that figure.

Meanwhile, the village board and the public must realize that the Holiday Gardens planners are undertaking a complicated financial venture which should substantially benefit the community when it is completed.

Mrs. Scofield and the group she represents should be given every chance to satisfy the requirements of law.

Homebuilder Predicts Illinois Will Be 'Capitol State Of U. S.'

Illinois, in the next ten years, will become the capitol state of America, as it is now the capitol state Mid-America.

This was the prediction this week by Ralph J. Finitzo, president, Home Builders Association of Illinois and a Chicago realtor and home builder.

Basing his prediction on figures produced by the University of Illinois, Finitzo said that this and other recent surveys indicate that the Chicago area, alone, will have an estimated population growth of 1.5 million in the next decade, and that the states' total will reach ten million people.

It was also estimated, he said, that \$10 billion alone will be spent on the, and in the Cal-Sag Canal development area, with a resultant development of 15,000 acres for new building and the creation of 650,000 new jobs.

Similar developments, he stated, are being planned for many Illinois cities, especially those following the natural lines of transportation and communication.

Finitzo stated that this is one of the major reasons for the convention of the Home Builders Association of Illinois to be held November 16 - 19 at the Pere Marquette Hotel in Peoria.

"We are now very near the national centers of population and agriculture," Finitzo continued. "It is only natural that this great state of ours will become, in near future, the center of government, housing, industry and culture."

He pointed out that, already, the Chicago area is the greatest producer of steel—biggest transportation center and producer of and distributor of real products.

However, the builder-realtor charged the Illinois' area is underdeveloped, under built.

He said that recent construction figures released by the F. W. Dodge Corporation and the Departments of Labor and Commerce showed that residential construction across the nation was up nine percent during October and three percent so far this year; but that here in Illinois, housing was off some ten percent.

"The opportunity to serve this state and in turn, the nation is wide to the home builder," he said.

The builder-executive said that Marvin B. Myers, Rockford Convention Committee Chairman of the Association, had informed him that home building experts from the National and State scene will be present at the convention for just that purpose — to lend advice in this period of rapid development.

AIRMAN SELECTED FOR RADAR COURSE

Airman Waino R. Riihimaki, son of Mr. and Mrs. Vernon J. Riihimaki of Lake Villa has completed his initial course in the Air Force basic military training in Lackland, Tex. He has been selected to attend the technical training course for Radio and Radar Maintenance at Keesler AFB, Miss.

Airman Riihimaki, a graduate of

Antioch Township High School, attended the University of Illinois where he majored in physics prior to his enlistment.

Airmen at Lackland are selected

for specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after four weeks of basic, and are given additional military basic training along with the technical subjects.

As long as prosperity is build on people spending all they hope to earn, people will have to have faith or they may need charity.

SOCIETY EVENTS

Miss Marlys Miller Recent Bride Of Larry Westin

Miss Marlys Miller and Larry Westin were married recently, in a six o'clock ceremony at Faith Evangelical Lutheran church. The Rev. R. P. Otto officiated at the double ring service.

The bride, the daughter of Mr. and Mrs. Mitchell Miller was attended by Misses Donna Etten, Charlene Wagner and Bonnie Anderson, bridesmaids and Miss Janet G. Rogers, maid of honor.

White nylon taffeta fashioned the bride's gown. It was designed with a lace yoke and long lace sleeves and lace paneled skirt with a chapel train. A crown of sequins and fingertip veil completed her attire, and she carried a white Bible covered with roses and lily of the valley. The attendants wore gowns of taffeta and lace and carried white roses and pink geraniums. Roger E. Wilson served as best man and Thomas Anensen, Harry Robin and John Moore were ushers. Lois and Raymond Miller served their sister as flower girl and ring bearer. A reception was held following the ceremony at the Lake Villa V. F. W. hall. The young couple plan to make their home in Antioch.

Mr. and Mrs. Larry Westin

Robert Link Finishes Administration Course

Army Pvt. Robert A. Link, whose wife, Beverly lives on route 3, Lake Villa, recently completed the basic administration course at Fort Leonard Wood, Mo.

Link received training in typing, record keeping and clerical procedures.

The 22-year-old soldier, son of Steve Link, 5334 W. 25th pl., Cicero, entered the Army in June 1958 and completed basic combat training at Fort Leonard Wood.

He graduated from Harrison High School in 1953 and was employed by Abbott Laboratories, North Chicago, in civilian life.

Recent guests of Mr. and Mrs. Donald R. Gaston were Mrs. William McGovern and daughter Peggy of Long Island, New York, Mr. and Mrs. Floyd Gordon and Mrs. Roy Halterman and son Robert of Ottawa.

THE GRAND WORTHY ADVISOR of the state of Illinois, Janet Bickel of Auburn, (right) paid her official visit to Antioch last Monday evening. Here she is greeted by Faye Mann, worthy advisor of the Antioch Rainbow Assembly.

Cookies 'Easy To Make' Is Week's Favorite Recipe

Tropical cookies are easy to make -- and they are very good. And without further comment, Mrs. Lillian Setcoff of Grass Lake outlines her recipe for Antioch News readers in the favorite recipe feature.

For submitting it, Mrs. Setcoff will receive her choice of a Styline cutlery set or a Styline steak knife set as a gift of the Antioch News. Mrs. Setcoff writes that she has lived at Grass Lake for 6½ years since her husband retired from Western Electric. She says she enjoys cooking and especially trying out Antioch News recipes.

All News readers are invited to participate in this feature -- first try the recipes printed and then submit one of your favorite food formulas to share with others of your neighbors who read the Antioch News. If we print your recipe, you too will receive one of the fine dining sets.

TROPICAL COOKIES

- | | |
|--------------------------------|----------------------------------|
| 1 cup shortening | 1½ cups sugar |
| 1 teaspoon grated lemon rind | 1 teaspoon salt |
| 2 teaspoons grated orange rind | 1 tablespoon lemon juice |
| 2 eggs unbeaten | 2½ cups sifted all purpose flour |
| 1 1/3 cups shredded coconut | |

Combine shortening, sugar, salt, rinds and juice and eggs. Beat thoroughly and add flour. Mix well, add coconut and blend.

Drop tablespoons of dough on a greased cookie sheet and bake in an oven at 375° for 12-15 minutes. Will make three dozen. You can add nuts if desired.

COLLEGE STUDENT JOINS GLEE CLUB

Robert Doyle, son of Mr. and Mrs. Robert G. Doyle, Box 144, Buena Park, Lake Villa, has joined the glee club at St. Ambrose college, Davenport, Iowa, where he is a freshman.

Doyle was graduated last June from Antioch high school where he sang in the choir and played varsity sports.

First Aid Courses Set Nov. 18-20 By Area Red Cross

Lake Countians interested in increasing their knowledge of first aid can do so by enrolling in training courses which soon will be conducted by the Lake County chapter of the American Red Cross.

Classes in advanced first aid will be held at the chapter's headquarters, 308 Julian st., Waukegan, from 7 to 10 p. m. on November 18, 19 and 20. Minimum eligibility requirements for this advanced training are: (1) be at least 16 years old, and (2) completion of the standard course in first aid.

An instructor's course in first aid will be given in December. Persons taking this course must be at least 20 years old and must have completed both the standard and advanced Red Cross first aid courses.

Also scheduled to be conducted soon by the chapter is a course designed to train instructors for home nursing classes.

Anyone interested in either of the programs are asked to call Miss Joan Crank, director of educational services at Ontario 2-4044.

WESLEY CIRCLES TO HOLD MEETINGS NOV. 18 - 19

September and October Circles of the Methodist church, with Mrs. O. W. Turner and Mrs. Ray Bruhn as chairmen will hold a meeting at 1 p. m. Tuesday, Nov. 18 at the home of Mrs. B. R. Burke. January and February Circles with Mesdames William Frey and Gordon Wells as chairmen will meet at 1 o'clock p. m. Tuesday at Wesley Hall, and the May and June circles with Mrs. George Good and Mrs. Robert Liess as chairmen will meet at 1 p. m. Nov. 19 at the home of Mrs. Earl Loomis.

Parents, Teachers, Pupils Invited To Salem Open House

The annual Open House night at Central High School, Salem, for parents, pupils and teachers will be held at 7:30 p. m. Thursday, Nov. 13, in observance of American Education week, Nov. 9-15.

This is an opportune time for parents to become acquainted with the faculty and the educational facilities which are offered by the high school, says the Central High School Community Club, sponsors of the event. All teachers will be present to hold short conferences with the parents and students. Parents of freshmen and transfer students are especially invited.

Because of an enriched curriculum, good facilities, and well qualified school personnel, Central High School has again been highly rated in the integrated group by the State Department of Public Instruction. The district received the maximum of state aids per student.

Parents will be entertained with vocal selections presented by two choral groups of the high school music department. Refreshments also will be served.

Central Community Club is an organization which sponsors scholarships and special awards for the high school students. All parents of high school students as well as other friends of the high school are invited to become members and join in promoting better educational facilities for the youth of the area.

Named to Lawrence College Concert Band

Fred Schroeder, director of the Lawrence College Concert Band, has announced the names of the 1958-59 members of the Concert Band. Among those participating is Robert Cain, of 672 N. Main St., Antioch.

Mr. and Mrs. C. W. Pfleger of Channel Lake, Antioch, left Antioch Monday for a visit with their daughter, Mrs. Donald A. Schmidt and family at Evanston and their son M. S. Pfleger and family of Western Springs, before leaving for Palm Beach, Florida, where they will spend the winter.

Mrs. H. B. Gaston returned home recently after spending two weeks with her mother, Mrs. Martin Erkman, who has been very ill at Carmi, Illinois.

"A woman told the canvasser: 'My family is politically mixed up. I'm a Republican; the old man's a Democrat; the kid's wet; the cow's dry--and the cat's on the fence.'" — Petersburg Observer.

Scouts Plan November Activities At Green Bar Meeting Sunday

A program for November was planned at a Green Bar meeting of Boy Scout Troop 92 Sunday afternoon in the Scout House.

Boys over ten and a half years old are eligible.

The good turn for this month was a cleanup of the Scout Home exterior.

A campout at Green Bay, Wis., is scheduled for Nov. 21-23. The main activity will be timber cutting for a cabin at their site near Green Bay.

Card of Thanks We wish to thank the Antioch Rescue Squad, friends and neighbors for their assistance and acts of kindness during our recent bereavement.

Citizens Out To Stop Rein Of Vandalism

Months of vandalism in the Petite Lake region has reached a point where aroused citizens decided this week to "get tough". A \$50 reward has been posted for information leading to arrest of the persons involved.

Latest incident was the deliberate destruction last Saturday of a school bus shelter at the corner of Highland and Rena Avenues built by citizens of the north side of the lake. The reward is being offered by the Beachwood Subdivision committee headed by Gene Pasco.

Persons who have information should call the sheriff's office or Peter Leider, committeeman of the housing area at Antioch 133-M-2.

According to Leider, the month-old bus shelter was sawed down and parts of it carried over a two-block area. It was not a case of salvaging the wood, Leider said, but of planned destruction.

Plans are to rebuild the shelter as soon as money is available, Leider said. Cost of the shelter destroyed was more than \$100.

The wave of vandalism has increased since the summer months in the Petite area on both north and south sides of the lake. Beaches have been defaced and signs carried away in the Blunt Subdivision also, Leider said.

69,041 Voters Went To Polls On Election Day

The canvass of votes from the Nov. 4 elections has been completed by the county clerk's office, but the totaling of ballots on the many offices and issues was just getting underway Wednesday morning.

The canvass revealed that 69,041 voters went to the polls. This is a remarkably heavy turnout for an "off year" election in which there were no top state offices in question and no U. S. Senate race here.

A member of the county clerk's office said that the ballot count might be completed by late Wednesday afternoon.

Through a typographical error, the Republican vote in Antioch precinct 1 was reported in last week's Antioch News as "743". This figure should have read 343.

Village Goes On Holiday

The Pheasant season opened in Lake County today, and combined with the Veteran's Day holiday, Antioch was emptied of a large body of its normal residents.

Hunters have made arrangements to hunt on many private farms in the surrounding area. Some reported having trouble obtaining permission to shoot in the best localities.

There is little, if any, vacant land left.

The limit on pheasant is two a day and four in possession.

A regular hunting license at \$3.25 is required for pheasant.

Charged With Break-in, Youth Goes To Court

A 16-year-old rural Lake Villa boy was brought under county judge Minard E. Hulse's authority after complaints of recurrent break-ins of a neighbor's house were made against him.

The complainant said that he feared the boy. Police magistrate R. A. Vanderpyl referred the case to Judge Hulse after the boy was brought before him Wednesday of last week.

A hearing will be held next Thursday at 3 p. m. in county court.

Shunneson Lauds Water Patrol; Asks Measures For Boat Safety

Barney Shunneson, president of the Chain of Lakes Resort Owners association and the association Secretary, Mrs. Elsie Stietz, appeared before the meeting of the Chain O'Lakes Water Patrol last Saturday night to explain the association's stand on several items which will come before the legislature in 1959.

Mr. Shunneson said, "We endorse the Chain O' Lakes Water Patrol 100 percent. The patrol is doing a good job!" He then discussed a program of safety measures to be taken before the legislation when it convenes on Jan. 2.

Shunneson said the Resort Owner's association is seeking the licensing of all outboard motors, regulations of water skiers, skiing to be allowed only during the hours from dawn to dusk at a safe distance from piers and fishermen's boats, better reporting on boat accidents, and speed on the lakes and in channels regulated by signs and buoys. The speaker also pointed out that

WARMING UP FOR THE CONCERT this Friday night are some of the 60 members of the Antioch Township High School Band. The concert will begin at 8:15 p. m. in the school auditorium. Director of the band is Joseph T. Rush. Bandmen in the picture are: Sharon Harms, Nancy Cribb. 2nd row, Sandy Jordan, Barbara Yates, Barbara Yates, Norma Brown. 3rd row, Joe Zeien, Melody Midgley, Dee Stillson. 4th row Lance Keisler, Karen Horton, Bryan Cain, M. Murrie, and Allen Berreiter.

Build 2 New Homes Along Windsor Dr.

Two new Winsor Drive homes are being built by prominent Antioch residents.

Lawrence Ryan, an owner of the Lyons-Ryan Ford agency has purchased a building permit for a home to cost \$30,000.

Dr. F. L. Bobzien, an associate at the Antioch Clinic, is building a \$25,000 home on Winsor Drive. He also bought a building permit recently.

A third permit for a residential construction was purchased in the name of Edward Moline. This house, estimated at \$9,000 is being built in Oakwood Knolls.

The total estimated building costs in Antioch during the month of October was \$73,215. The construction of two new home garages accounts for \$4,050 and repairs and repair and alteration projects are estimated at \$5,165.

Patrovsky Picked For President By Nominating Group

A slate of officers for the Antioch Lions Club was presented by Homer LaPlant, chairman of the nominating committee for the coming year.

The officers nominated are Joe Patrovsky, president; first vice president, K. Deitrick; second vice president, Dr. Richard Ripley; third vice president, Preston Reckers; secretary, John Fields; treasurer, Dr. Albert Bucar; Lion Tamer, Ralph Gresens; Tail Twister, Clarence Olson; one year directors, Don Francisco Sr., and Lewis Mowen; two year directors, Morris Pickus and Myrus Nelson.

Elections will be held at the next Lions meeting Nov. 24.

GAA Holds Bake Sale

The Girl's Athletic Association of Antioch Township High School is having a bake sale at the Ford Garage in Antioch on Nov. 15th. Bakery goods will be sold from 9 a. m. to 1:30 p. m. Proceeds will be used to help pay expenses of the organization.

The Antioch News and Lakes Theatre invite C. F. Spiering, Route 2, Box 210, Antioch, and one to attend Sunday, Monday or Tuesday's showing of "Doctor at Large."

the waters in the lake region are not navigable waters under federal laws, according to a ruling furnished by Attorney General Latham Castle.

He said "Boaters in Florida show greater courtesy toward one another than they do here where courtesy is practically non-existent."

Water Patrol Chief Ralph Buikema, who presided over the meeting, agreed with Shunneson and said local state representatives will be informed about the patrol's stand on the suggested changes in the laws.

Treasurer Charles Herrmann reported a sound financial condition of the patrol.

It was reported that an open election of all officers of the patrol will take place at the December 13 meeting.

Lt. Nate DiFatto acted as secretary in the absence of Frank Marchetti.

Former Salem Athlete Killed In Auto Crash

Three former high school football teammates took an auto ride together last Friday night, and one, a star athlete, will not return.

Gerald Kerkman, 20, a basketball and grid star at Salem Central High School in 1955 and 1956, was killed when a car driven by Robert S. Merten, 20, Box 64, Bristol, smashed into the north rail of the Fox River Bridge on Highway 50.

The third youth riding in the car was Dale Epping, RFD 1, Salem. He suffered cuts and lacerations, but was reported in good condition at Burlington Memorial Hospital where he was taken after the crash.

Merten was not hurt. He told police that he must have fallen asleep at the wheel of his westbound car, and it slid on to the shoulder of the bridge approach before striking the guard rail and rebounding across the bridge to the south railing.

Kerkman, apparently sitting on the right front seat, was half thrown from the car and dragged along as it rolled to a halt.

He was pronounced dead at Burlington Hospital, but authorities say that he probably died during the crash.

The accident victim lived with his parents on Highway 50 near Slades Corners. He had been honorary captain of the Falcon's basketball team during the 1955-56 season and had also played on the 1955 championship football team.

Merton and Epping were both on that undefeated squad.

Missing Members Sought As ATHS Grads Plan Day

Members of the 1928 and 1929 graduating classes of Antioch Township High School are planning a joint class reunion at dinner on Dec. 6th at Smart's Country House.

Letters are in the mail today notifying all members of the reunion. However, there are still a few members of each class whose whereabouts are not known. From the class of 1928 we do not know the whereabouts of Joe Bernolfo, Herbert Ghan and Romona Winship. From the class of 1929 Elizabeth Barthel, Ray Berglund, Bernice and Frances Dougwell, Esther Grulich and Irene Walsh. Would anyone knowing the whereabouts of these people call Mrs. Lloyd Murrie at Antioch 470.

The committees handling the arrangements for the reunion are Edna Radke and Howard Gaston for the Class of 1928 and Louise Murrie, Homer La Plant and Louis Gallagher for the Class of 1929.

Denison Speaks On 'Mental Health' At Emmons PTA Session

Frank G. Denison, Coordinator of Guidance at Antioch High School, spoke on "Mental Health" at the Emmons School P. T. A. Nov. 4.

Mr. Denison discussed the historical background of the Mental Health movement, emphasizing child development as related to mental health.

Denison, coordinator of Guidance and Curriculum will spend Nov. 13 at Evanston High School, studying their grouping of student techniques and in conference with their teachers and guidance counselors.

Antioch Woman Charged In Car Collision Friday

Mona Jenkins, 35, of Antioch was charged with driving under the influence of liquor following a collision between her auto and that of another Antioch resident on Beach Grove Drive near Fox Lake.

The mishap occurred Friday night. Police said that her car crossed the center line of the road and rammed a vehicle driven by Bernard Watson, 57, of RFD 2, Antioch.

A hearing in Fox Lake has been scheduled.

Local Man Serving In Western Pacific

Albert R. Yanca, radioman seaman, USN, son of Mr. and Mrs. Charles M. Yanca of 48 Grapevine ave., Antioch is serving aboard the dock landing ship USS Whetstone, operating in the Western Pacific.

The Whetstone, a unit of Amphibious Squadron Three, left San Diego, Calif., Oct. 7.

Golden Anniversary

Mr. and Mrs. Paul R. Avery, Sr., will celebrate their golden wedding anniversary with an open house at their home from 2 to 5 p. m. next Sunday.

KEEP THIS AD!
Over 25,000 Arthritic and Rheumatic Sufferers have taken this Medicine since it has been on the market. It is inexpensive, can be taken in the home. For free information give name and address to P. O. Box 826, Hot Springs, Arkansas.

Mrs. Robert Erwin of Waukegan spent Wednesday afternoon with Mrs. Frank Edwards.

Mr. and Mrs. Fritz Klein of Skokie were callers at the Herbert Messner and George Butler homes Saturday afternoon.

Mr. and Mrs. Leo Stanczak and sons of Waukegan spent Sunday afternoon at the home of Mrs. Lyman Bonner.

Caroline and Debbie Graham, daughters of Mr. and Mrs. Herbert Graham spent Saturday and Sunday at the Andy Carlson home in Gurnee.

Mr. and Mrs. James Bonner and children of Kansasville, Wis. spent Friday evening at the home of Mrs. Harley Clark.

The 59th annual Chicken dinner and bazaar will be Friday afternoon and evening Nov. 7. The dinner will be served in the Church dining room starting at 5 p. m. The bazaar of fancy work, rugs, aprons, novelty and, Christmas booth and candy bake goods and grab bag will be held in the Masonic Temple, starting at 2 p. m.

Home Ec. Group Sets LV Meeting

"Holiday food" and "Guiding the Child's Growth in Character and Moral Development" are the two lessons being studied by Home Bureau units enrolled in the University Extension Classes in Lake County.

The "Holiday Foods" lessons are being given by the Home Adviser, Mrs. Helen Volk, and the Assistant Home Adviser, Miss Suzanne Dupuis. The lesson includes some forty different ideas for preparing and serving foods for holidays throughout the year. Homemakers are learning how to make their families and friends happy not only during the Thanksgiving and Christmas holidays but also for birthdays, anniversaries, and the many holidays coming along in the spring and the summer.

It is felt that the homemakers can instill the feeling of togetherness in her family by providing special treats for them for every holiday. It will be something children will remember as long as they live and the traditions carried on in their own future families.

These lessons will be given as follows:

November 19 at 12:30 p. m. for Wauconda and Volo at Wauconda Church, and 8:00 p. m. for Lake Region at Mrs. Glenn McNeil's Crooked Lake, Lake Villa.

2 Area Holstein Farms Get Herds Classified

The herds of two Holstein breeders in this area have been officially classified for type by Robert E. Strickler, Iowa, Kansas, an official inspector on the staff of The Holstein Friesian Association of America.

Results are as follows: Ravenslen Farm, Robert L. Hunter, Antioch—58 animals classified—6 "Excellent", 23 "Very Good", 24 "Good Plus", 5 "Good".

Elmwood Farms, Lake Forest—138 animals classified—17 "Excellent", 82 "Very Good", 39 "Good Plus".

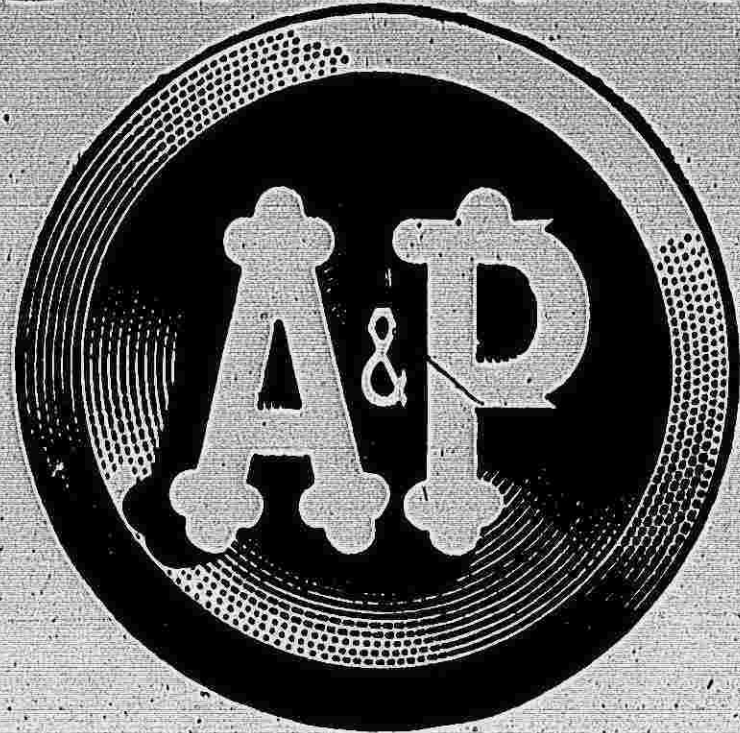

The program - in continuous operation since 1929—provides the official means of comparing the conformation of living animals with that of the True-Type Holstein cow or bull.

Participation is currently at an all-time high level with upwards of 38,000 registered Holsteins inspected and officially classified each year.

1959's Most Dramatic Debut
The New Lincoln
Newest Edition of the Classic Lincoln Look

Classic beauty—unexcelled craftsmanship

Here indeed, is a new masterpiece in the proud Lincoln tradition. A car of commanding appearance. A car of classic beauty, realized without sacrificing an inch of interior spaciousness and comfort. A car built with unexcelled quality and craftsmanship. These are just a few of the many practical reasons that make the 1959 Lincoln the choice for those who demand the very finest in the motorcars they drive.

The Lincoln interiors are the most spacious and most comfortable of any motorcar, and Lincoln's engine is unquestionably the finest ever installed in an American automobile. Yet, for all its roominess and power, the magnificent Lincoln handles with incredible ease. Enjoy the reassuring confidence that belongs exclusively to Lincoln owners. Your nearby dealer invites you to inspect the 1959 Lincoln personally... soon.

Luncheon Fashion Show To Be Given By Boy Scout Mothers

"Around the World in Food and Fashions," the luncheon and fashion show given by the Mothers' Auxiliary of Boy Scout Troop 91 will be held next Wednesday at the Wesley Hall Methodist Church.

In charge of the affair is Mrs. W. F. Mongan, with Mrs. Phillip Badame and Mrs. Warren Beattie.

Mrs. Edward C. Jacobs will narrate the show.

Models for the fashions being shown by Gibbs & Jensen are: Mrs. Madeline Ganger, Mrs. Rita Endean, Mrs. Shirley White and Mrs. Fran Mongan.

Children's fashions shown by the Tot Shop will be worn by Kathy Wysoglad, Sheryl Roblin, Susan Aberholden, Jo Hanna Marie Beattie and Candy Bentel.

Mrs. Ida Wysoglad, Mrs. Ann Cranley, Mrs. Lillian Matusek and Mrs. Reggie Leksich will model the foreign costumes.

The buffet luncheon, featuring foreign foods, will be served at 1 p. m.

Since only a limited number of tickets can be sold, please call 897J for reservations.

Woman's Club Meets At Scout House Here

The Antioch Woman's Club will meet next Monday at 1:30 p. m. in the Scout House on Main Street.

"Gift Wrapping Magic" by Tie Tie will be given by Ione Ketcher.

The Hostess Committee is Mrs. Warren Polley, Mrs. John Horan, Mrs. Fred Oschmann, Mrs. Joseph Patrovsky Sr., Mrs. Roy Turvarra, Mrs. Arthur Laursen, Mrs. Myrus Nelson, Mrs. Morgan Warfield, Mrs. Richard Seyfarth and Mrs. William Keulman Sr. A board meeting at 12:30 p. m. will precede the regular meeting.

Property Assessment.....

(Continued from page 1)
\$24,528,760 is the total assessed value of real estate in Antioch Township without the multiplier factor. Personal property assessments totaled \$2,551,976 without the multiplier factor, Powles reported.

Powles and his deputies began this year's heavier quadrennial assessment last March. It was completed Oct. 10. The township assessor cited the work of two of his busiest deputies, Henry Pape and John Miller.

Three New Scouts Join Scout Troop 91

Three new scouts joined Boy Scout Troop 91 at a meeting last week which included a pizza dinner and formal inspection by the American Legion committee.

The new members are Allen Tegen, Ronald Witt and Frank Dowling. Scoutmaster Chet White, in announcing the names, also issued an invitation to all boys 11 years of age or older to join the troop. He cited that scouting is an opportunity to learn many skills including camping, hiking, citizenship and leadership.

The pizza dinner given the troop members was given by Bill and Mary Huebner of B & M Pizza. After reconvening at the Legion hall for inspection, the troop executed a fire drill and manned fire extinguisher, doors, traffic control and runner posts. The Legion complimented the troop on its efficiency.

Edward J. Kadlec

Marine Pvt. Edward H. Kadlec, son of Edward J. Kadlec of Loon Lake, Antioch, finished four weeks of individual combat training Nov. 12 at the Marine Corps Base, Camp Pendleton, Calif.

DEATH NOTICES

Clarence C. Schuld

Clarence C. Schuld, 53, of Salem, Wis., died Monday at 10:45 p. m. in his home on Rte. 83. He was stricken by a sudden heart attack.

The Antioch Rescue Squad responded to a call, but was unable to revive him.

Born Jan. 28, 1905 at Farmington, Wis., he moved to Milwaukee in 1921 and to Salem in 1938.

While in Milwaukee, Mr. Schuld operated a barber shop and opened a new shop when he moved to Salem. He later was a custodian at Salem Central High School.

He served in World War II with the Navy and is a member of Schult-Hahn Post of the American Legion at Silver Lake, Wis.

Mr. Schuld also belonged to the Loyol Order of Moose Lodge in Antioch.

He married Agnes Brener on May 13, 1943 at Watertown, Wis.

Survivors, besides his wife, are one son, Carter, living at home, two daughters, Mrs. Dolores Kottman and Mrs. Virginia Kish, both of Buena Park, Calif.; his mother, Mrs. Mary Schuld of Jefferson, Wis.; a brother, Elmer of Jefferson; three sisters, Mrs. Esther Miller, Mrs. Alice Hoerig, and Mrs. Lorraine Rhodes,

School Officials.....

(continued from page 1)
School flagpole early Monday morning.

Village firemen brought their truck down and scaled the pole with a ladder to bring the pennant down.

High school authorities are reportedly hot on the trail of the mischief makers. Suspicion falls on members of the Senior class since a group of the upperclassmen were shoofed away from the pole by police last Thursday evening.

It was reported that two or three students have admitted being present at the flag hoisting, but deny taking part in the actual stunt.

The flag itself was red with the hammer and sickle design.

Lake Bluff Resident Named PR Director Of Abbott Laboratory

Three appointments in the Advertising department at Abbott Laboratories have been announced by Charles S. Downs, Vice President in charge of Advertising and Public Relations.

W. C. Cray of 248 Circle Dr., Lake Bluff, has been named Public Relations Manager, Thomas A. Craig of 2205 Maple Avenue, Evanston, Assistant Public Relations Manager, and Miss Mary Alice Suydam, of 600 Belvidere, Waukegan, Media Buyer.

Cray joined Abbott in April of this year after fifteen years of newspaper editorial, personnel and public relations work. He served four years in the U. S. Navy in World War II and is a graduate of Northwestern University.

CHICAGO MAN NAMED CHAIRMAN

Nathan R. Levin, assistant librarian of Chicago Public Library, has been elected chairman of the Illinois State Library Advisory Committee, Secretary of State Charles F. Carpenter, state librarian has announced.

Ballots sent to the 17 members of the committee were returned to the Illinois State Library headquarters in the Centennial building here.

Levin succeeds Dr. P. L. Windsor of Urbana, director-emeritus of the University of Illinois Library and Library School, who had held the post since 1948. Dr. Windsor resigned from the committee as the librarian representative of Region 3, an 18-county east central Illinois area.

A feather party sponsored by the men of Antioch Moose Lodge will be held Saturday night, Nov. 15, 1958 at the Moose Home.

Since Mooseheart was founded in 1913, more than 5,000 children have benefited from its education and training program.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

The Antioch News and the Lakes Theatre invite Harry Jesse, Route 1, Box 303, Antioch, and one to attend Sunday, Monday or Tuesday's showing of "Doctor at Large."

Atty. General Asks 2% Budget Increase

Attorney General Latham Castle today submitted to the Illinois Budgetary Commission a budget requesting an appropriation of \$2,523,600 for operating expenses of the attorney general's office for the 1959 - 1961 biennium.

This total, Castle said, is a net total increase of \$49,375 over the total appropriated to his office for the 1957 - 1959 biennium.

The increase includes an estimated \$15,000 for remodeling the attorney general's office in the Illinois Building, Chicago, to make more efficient use of available space; a larger sum for postal costs due to recent postage rate increases; and a \$26,000 increase in estimated printing costs due to an anticipated increase in the volume of post conviction and prisoner review cases to be filed in the Illinois Supreme Court, in which cases the Attorney General must file briefs.

Co. 4-H Achievement Program Set Nov. 21

4-H club members, leaders and parents of both Agricultural and Home Economics clubs will meet to complete their 1958 program of work. That evening, each 4-Her who completed his work satisfactorily will be awarded a certificate pin, premium money, medals and other awards. Colored slide of 4-H activities during the year will be shown as part of the evening's program.

—Helen Volk,
Lake County Home Adviser

Seven members of Troop 91's Mother Club met at Pat Hatfield's Monday night Nov. 3rd. Since several of the Mothers were not at the meeting it was suggested by Mrs. Henning that a schedule of coming events be sent to each Mother.

We have ordered a gross (144) desk pen sets to be sold within 30 days after we receive them. Each Mother will be given 7 sets to sell for \$1.00 apiece. They will make ideal Christmas presents. When the gross are sold we will realize a profit of \$53.28. We ask for your cooperation in this money making project. They will be distributed to all of you as soon as possible.

The men's committee of Troop 91 are serving a pancake breakfast Thanksgiving morning. They are using this as their money making project and hope that you will send all your friends and attend yourself.

December 8th (a Troop meeting night) is Scoutmaster Chet White's birthday. The Mothers at the last meeting decided to purchase a gift and have a party for him that night. It is to be a surprise and we would

Plan Deer Roast

A troop committee and Woman's Auxiliary will hold a meeting Thursday evening at 8 p. m. at Scout Home to discuss plans for a Deer Roast dinner which will be held sometime in December.

appreciate your sending a dollar (\$1.00) to the president, Rosemary Eckert, Rt. 3, Box 116, Antioch, Illinois by the end of the month. The gift will be a real wool Scouters jacket and has to be ordered in advance.

On December 15th the Mothers Club will give a Christmas party for all the Scouts of Troop 91. A gift exchange will take place and further information will be given the boys.

Future plans include a dinner and dance to be held a month or two after Christmas.

Please mark these important dates on your calendar.

Troop 91 is growing and we now have 19 boys registered and active. If you know of any other boys who would like to be a Scout, send them down on a Monday night. Let's make Troop 91 bigger and better than ever in 1959. The Mothers of Troop 91 are planning to attend a "Luncheon and Style Show" sponsored by the Mothers Auxiliary of Troop 92 on Wed., Nov. 19th at Wesley Hall at 1 o'clock. If you would like to join our group you may purchase tickets for \$1.00 from Mrs. White, Nov. 10th at the Troop meeting.

Our next meeting will be held December 1st at 8:00 a'clock at Rosemary Eckert's home. Please plan to attend.

The cub scouts of Pack 80 looked like everything and anything but scouts as they met in costume for their pack night and Halloween party on October 30. Some of the parents were in costumes too.

Cubmaster Earl Beese was resplendent and very impressive in

the costume of an Indian Maharajah as he conducted the short meeting in which the following awards were presented:

Bobcat—Anthony Lomma.

Silver Arrow under Wolf—Bobby Beese

Gold Arrow and 2 Silver Arrows under Wolf—Richard Hart

Gold Arrow under Lion—Tommy Wojnowiak

Denner's Bars—Robert Babg and Phil Muller

Service Star—Ronnie Coons, Billy Ernsting, Bobby Beese and Carl Hawkins

Year Pin—Den Mother Kay Schaefer

At the conclusion of the meeting the boys sat in a circle around Cubmaster Earl Beese as he led them first on a "Ghost Hunt." Then they all joined in games and relay races.

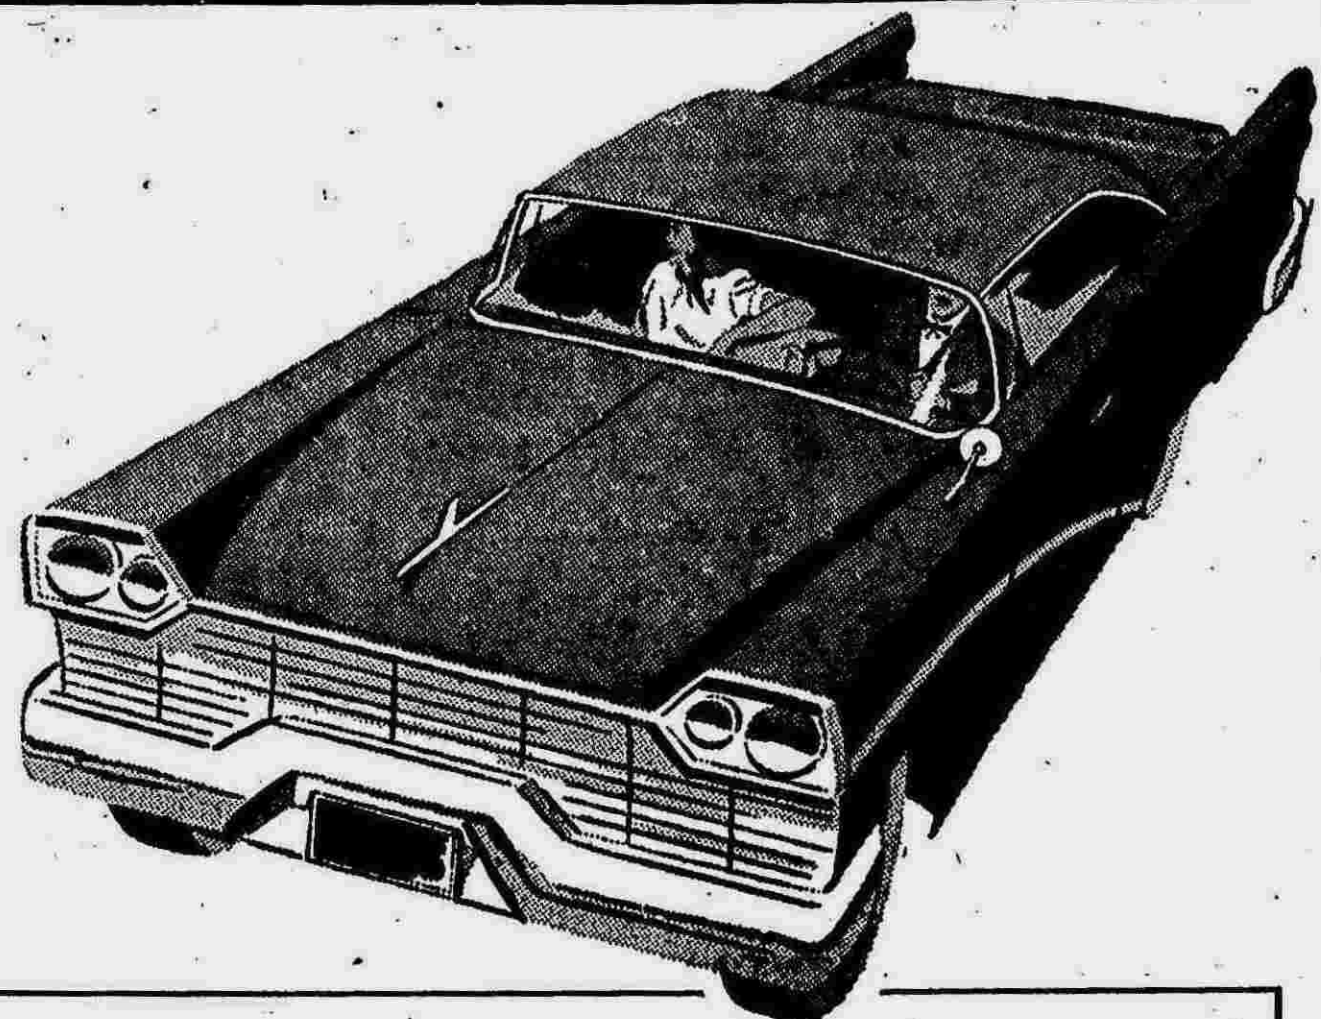

Time ran out before they could bob for apples but their good cubmaster had managed to get a little water on each of them during the progress of the games and tricks which were played.

Cubmaster Beese has introduced a clever way of showing the attendance of the various dens. Each den has decorated a wooden block which fits on a large dowel pin to form part of a totem pole. The den which has the largest percentage of boys and parents present at the pack meeting will be "high on the totem pole" for that month.

A very enjoyable Halloween party was brought to a pleasant close by the serving of doughnuts and cider (or coffee or milk) by the hostesses of the evening, Den Mother Natalie Witkowski and her assistants from Den 5.

Antioch Prepares For 58-59 Cage Season

Sequoits Take On 'Cats' In First Game There

BOWLING

Moose Mixed League Sunday, November 2

Rusty Four took high team series with games of 661-676-736-2073. Their 736 was high game for the evening.

High individual scorer was Ray Atwood for the men, with games of 183-146-218-547. His 218 game was high.

In the women's statistics, Alice Bushmole was high individual scorer with games of 140-162-153-455.

Helen Mount had 165 for high game.

Moose Tops beat Moose Hoofs three games.

Rusty Four beat Blue Moose all three games.

Gutter Dusters won two games from Big Moose.

Odd Moose won two from Antlers.

The Ends won two games from Ten Pins.

Mitey Mites won two from Moose Tales.

Moose Mixed League Sunday, October 26

Moose Tales took high team series with games of 735-682-789-2266. Their 789 game was high for the evening.

For the women Helen Mount has high individual series of 176-161-173-510. Eileen Kosar had high individual game of 185.

Antlers beat Moose Hoofs all three games.

Rusty Four beat Moose Tops all three games.

Ten Pins won two from Mitey Mites.

Gutter Dusters won two from the Moose Tales.

Odd Moose took two from Blue Moose.

Big Moose took two games from The Ends.

High series for the men:

Peter Matteoni 256-160-256-674.

John Benes 190-221-232-843.

Don Richards 203-217-202-622.

Other high scores shot were: Clarence Jarvis, 223 game; Richard Ripley 208, and Ray Laursen 203.

Women's Thursday Afternoon League, November 6

High team series went to Mann's Certified, who had games of 596-566-561-1723.

Mae Burdick was high individual scorer, with games of 186-167-158-511 total.

Kelly's Tavern won all three games from the Advertiser.

Mann's Certified beat Leo Johnson's Fourth Lake Resort.

Kharmichael Vending won two games from Fred Maier Service.

Ted's Radio & TV Repair won two games from Ben Franklin.

Antioch Major League Friday, Nov. 7

Antioch Lumber & Coal Co. had

Antioch's Sequoits open their cage season with a non-conference fray at Libertyville this Saturday. The Wildcats boast a strong squad with a nucleus back from last year's team that took Antioch to the cleaners.

Libertyville has won the last two of pre-season encounters which Antioch and Cats have scheduled for a number of seasons.

The Cats play in the North Shore Conference and usually come out very well in this tough competition.

The game, to be played at the Libertyville-Fremont High School gymnasium, will begin at 8 p. m. The frosh-soph encounter will begin at 7 p. m. This is the preps' opening game also.

Antioch plays pattern offenses, all based on a single pivot. The physical capacity of the squad suggests an emphasis on defense and a steady passing offense.

The Sequoits are planning both zone and man-to-man defensive strategy to be used as the occasion demands.

Libertyville usually employs the fast break and a strict man-to-man offense, but Leon points out that a new coach has taken over there this year, thus upsetting pre-season predictions somewhat.

Returning to the Cats this year will be Max Sanders, Warren Nicholas, and Bill Johns. Johns, their center, stands less than Bill Martin of the Sequoits, but has demonstrated terrific jumping power.

Opening its season before most squads in this area, Antioch will play Dundee on Nov. 21 before beginning league play at Grayslake, Dec. 5.

high team series, with games of 1032-1025-893-2950 total.

Larry Lee was high individual scorer, bowling 256-211-212-682.

Marv Shepard had games of 258-222-180-660; Don Combs, 185-234-214-633; Charles Miller 247-165-211-623; Fred Wittelder 203-209-199-611; Bob Steiskal, 211-223-176-610; Art Schinke, 196-214-199-609; Carl Neuman, 200-224-183-607; Val Nicpon, 193-203-210-606.

Marty's Club Villa won two games from Garwood Laundry.

Cermak Real Estate took all three from Blumenschein Excavating.

Tiede's Insurance beat Johnson's Resort all three games.

Miller Insurance took two games from Volo Bait Shop.

Salem Country Club won all three from Rausch Bros.

Antioch Lumber & Coal Co. beat Joe & Helen's all three games.

Monday Nite Owl League November 3

Nick's Shell Service had high team series with 2857, on games of 886-926-945.

Chuck Kadlac was high individual scorer, with games of 181-222-233 for a total of 637.

Park Lunch won two games from Taylor's Shoe Store.

Lyons & Ryan Ford beat Klass Men's Store all three games.

John's River Inn took two games from Pete's Cities Service.

Four Aces beat Golf View Motel all three games.

Nick's Shell Service beat Wally's Channel Inn all three games.

Old Orchard Inn won two games from Chase's "66" Service.

(continued on page 12)

Announce 1958 Salem Football Letter Winners

Fifteen of 26 lettermen will return for the 1958 Salem Central grid season according to coach Roger Terry.

Terry announced the 26 players who received varsity letters for this season. The squad won five of nine contests this fall.

The Falcons will be in the Southeastern conference next season next year.

The letter winners are:

Seniors—Co-captains Jim Long and Wayne Remus, Dave Willem, Gene Wierzgac, Bill Bohn, Gary Doerflinger, Bob Carver, Rick Thomas, Cleo Varvil, Cliff Niles and Jerry Rasmussen.

Juniors—Gene Schulz, Dave Erickson, Gary Clausen, Leo Schneider, Fred Lentz, Len Krawczyk, Jim Eckhardt, Laverne Nau, Larry Weldman, and student managers Mark Krahn and Ken Parker.

Sophomores—Russ Hanson, Frank Rhodes, Tom Wagner, Andy Aguero, Frank Schauer and Bob Anderson.

Falls are the No. 1 cause of accidental home death, according to the National Safety Council. Chief victims are persons 65 years of age or older.

Antioch Scouts To Play Barnstormers Nov. 20

The "A" club, members of which are ATHS athletic letter winners, is sponsoring a basketball double-header composed of skill and rollicking laughter if advance predictions have any value.

The main game matches the Antioch Scouts a group of former high school players who live in this area, against the barnstorming Kansas City Stars, Chicago area school teachers who have banded together after successful individual high school and college careers.

The second feature, which will actually open the Nov. 21 program at the ATHS gym, is a battle between members of the high school faculty and Antioch businessmen.

The program is to begin with the "stunt" game at 7 p. m. with the

Vet. Official Presides At Rules Meet

Mike Rose, a veteran basketball referee for high school contests in this area, will be the guest of honor and speaker at a rules meeting which was to be held Wednesday night at Antioch Township High School gym at 8 p. m.

The purpose of the open meeting was to acquaint the public with the rapidly changing cage rules so that they may follow their team with intelligence and enjoyment.

Rule changes for this year were to be outlined, and last year's major changes will be reviewed. Basic information was to be supplied at a question and answer period which follows the talk.

Panthers Beat Burlington 21-6 In Final Match

Wilmot's Panthers closed their grid season with a 21-6 win over Burlington. The victory gave the Kenosha County school a Southern Lake Conference record of three wins and four losses.

The game was Tuesday of last week under the arcs at Wilmot.

The Panthers made their first touchdown in the last moments of the opening half. They scored again in the third period.

Burlington countered with an 80 yard touchdown drive.

Just before the game ended Wilmot added an insurance TD.

The contest was uneven. The Panthers gained 331 yards rushing to Burlington's 173. Neither team added much through passing.

Basketball Squad In For 'Year Of Rebuilding' As Juniors Take Over

Sequoit athletics turn now to basketball and the same inexperience which plagued them in the grid wars must be expected to hamper the hardwood warriors.

Many of the gridders are among the hoop hopefuls, and other members of the cage squad are almost all juniors.

Antioch has, almost unbelievably, not a single returning letterman to the basketball team.

Cage coach Larry Leon said this week that "this year must be looked upon as a year of rebuilding." Just as in the football fortunes, the 1958-59 basketball season is valuable experience for a team which will come back almost intact the following year.

But this is not the sole thought in mind as the basketball practice sessions began in earnest Nov. 3.

Earlier conditioning workouts were given for the squad members, not out for football.

A turnout of 19 players has been trimmed to travelling squad of 15.

Leon anticipates, with plenty of room left for welcome surprises, that his starting team will be built about four men. Likely to plan the lion's share of game time at center is Bob Martin, a 6'3" junior who has shown plenty of improvement over last year in early practice.

The forwards will probably be Paul Magiera, a 6'1" senior who was kept from regular varsity duty last season by leg injuries, and Don Pyles, the Sequoit's star football player, who was brought up to the cage team as a sophomore last season.

A 5'11" junior, Jerry Dahlman has got the best grip on a guard position. The other guard spot, according to Leon, will be filled from among three other top contenders for the first string, Dick Gudgeon, a 5'6" junior, Jim Portalski, a 5'6" senior, and Dick Wolf, the 5'10" junior who won the starting quarterback during the grid season.

Three prospective centers striving to outdo Martin are Sig Nielsen, Phil Mitchell, and Walt Rosquist. Nielsen's 6'2 1/2" height edges the other two candidates by half an inch. All are juniors as are the rest of the squad.

"Stormy" Oberg, 5'7", and Dave

Pyles And Gudgeon Named Co-captains For 1959 Season

Don Pyles, the Sequoit's star full-back, and flashy halfback Dick Gudgeon, named captains of the 1959 Antioch High School football squad by their teammates.

Gudgeon has been chosen the 1958 captain.

Dick Wolf, junior quarterback, who won a starting berth during the past season's play, was named most improved player on the team.

Gudgeon was called the most spirited player.

Pyles, the backfield workhorse led the Sequoits in scoring with 43 points and compiled a top 639 yards rushing during the season.

He also recorded 35 tackles and 33 assists to take honors in that defensive department.

Wiegel, 5'10" are out for guard, and Mike Murrie, 6'1" is another forward candidate.

The squad as a whole is short with average speed according to its mentor. The greatest difficulty, now showing up in practice, is the lack of fundamentals. This is especially prevalent among those who have not played a good deal with the frosh-soph.

If some of the less highly regarded varsity candidates can pick up enough know how during the season, their natural talent may push them into the starting lineup.

"It could be a well balanced team," Leon said. There is no outstanding scorer on the squad.

The Northwest conference basketball picture includes several likely teams. Both Grant and Elva-Vernon

(continued on page 12)

Patent Application Made On "Buttonless" Hearing Aid

J. W. Plank

Peoria, Illinois (Special) Patent application has just been made on a new type transistor hearing aid that has no cord or receiver "button", according to Mr. J. W. Plank, well known electronic engineer of Peoria, Illinois. The instrument consists of just one tiny hearing unit weighing less than 1/4 ounce, worn on either

ear and by either men or women. The unique instrument is said to permit normal use of the telephone and completely eliminates clothing noise.

This remarkable invention is the result of many years of research working with hard-of-hearing men and women. Persons desiring descriptive literature either for themselves or for friends on this new invention may obtain it by writing to Mr. J. W. Plank, 128 South Monroe, Peoria 2, Illinois. No charge is made.

THAT MASTODON BONE held by Joe Anzinger of Antioch is probably more than 12,000 years old, the Chicago Natural History Museum estimates. It was part of one of the huge elephant-like animals which roamed this area at the end of the ice age. Anzinger found the bones while digging a lake on a farm last Tuesday near Crystal Lake.

Antioch Coped Named To Phi Beta Kappa At Lawrence College

Nancy Rentner, 375 Harden St., Antioch, has been elected to Phi Beta Kappa, national honorary society, at Lawrence College, Appleton, Wis.

Miss Rentner, a member of Kappa Delta social sorority, is one of eight Lawrence seniors to be so honored this semester. She is a member of Sigma, Pi Sigma, and Mortar Board honorary societies, and serves as managing editor of the college newspaper. She has held offices in her sorority, and the Women's Recreation Association. Biology is her major field of study.

Mrs. McGovern Visits Sister at Rock Lake

Mrs. William McGovern of Long Island, N. Y., and her parents, Mr. and Mrs. Floyd Gordon of Ottawa, visited recently with their sister and daughter, Mrs. Donald Gaston and family, of Rock Lake.

Mrs. McGovern returned to Ottawa to extend her visit with her parents before returning to Long Island.

Yesterdays

SEQUOIT NEWS

H. S. Class Visits Museum (By Judy Prenger)

Last Saturday the chemistry class met outside of King's at the early hour of seven for a trip to Chicago. We drove to Waukegan and took the North Shore from there. Everyone was half asleep on the train, but when we reached that nice, fresh, clean smelling air (ugh!) of the City, we all woke up.

The Museum of Science and Industry was our main objective and first stop. It was really fascinating. The best part of it is that you can push buttons and make the different things work.

They have an old fashioned movie, a place to hear how you sound over a telephone, and a wood working model of an oil refinery. It starts out black, sticky oil and after going through different pipes, filters, etc. it comes out beautiful gas! It would take a week to really see everything. It's wonderful.

After the Museum we went to the Loop and guess how? The subway. We don't know, but we think we were the first Antioch people to ride in it. The observatory of the Board of Trade Building was our next stop. There is another place we could stay all day. It was almost four now, so we went over to the Navy Show, which was just as exciting and new to us as all the rest. You would never dream until you saw them that the planes, guns, shells and such are as big as they are.

We had a busy day. One that we would like to repeat. We certainly "got educated."

Letters to The Editor

To the Editor:

Would you please write an article in your paper stating that the person who drove a station wagon with eight children from subdivision to subdivision on Halloween (should be thanked). (The residents) thank the children for writing dirty words in red crayon on mine and other property in Beach Grove Subdivision.

I had given them their candy and still their filthy minds would not allow them to be little ladies. I'm sure they were seventh and eighth graders.

Mrs. R. Plechaty

Lake Marie
P. S. I hope the parents of these children read this article.

Mr. and Mrs. Alex Schubert, Mr. and Mrs. Ben Kunz spent Saturday with Roland Kunz at Wisconsin General hospital, Madison, who is very ill.

Mr. and Mrs. Gust Neuman and Fred Rieman were Sunday supper

Rare Chemical Registry Can Tell You Where

CHICAGO—Suppose you needed some octamethylpyrophosphoramide in a hurry, and you didn't know where it was available.

If you ever have to look for it, or for that matter some dimethylhydroxylamine, or isophthalaldehyde, your best bet would be to call the National Registry of Rare Chemicals.

That's a free clearing house for information on such things, namely about 38,000 hard-to-find chemicals and compounds, filed by Armour Research Foundation of Illinois Institute of Technology.

For more than 15 years, the NRRC has been filling requests from around the world for information on sources of rare chemicals. More than 30,000 queries have been handled—from businesses, governments, individuals, other research laboratories, colleges and universities, and even drug stores.

Not Here, Friend!

NEW ORLEANS—A visiting Mississippi motorist headed signs warning against driving while drunk and pulled off to the side of a highway to sleep it off.

Police weren't happy with the spot he chose, so the unidentified motorist was sent on his way to better sleeping quarters. Police found him sprawled out in the middle of the highway.

Loaded For Action

CINCINNATI—Burglars took enough guns and ammunition from a shop in nearby Cheviot to equip a small army.

Store owner Robert Sahm said the gun-happy intruders took 12 rifles 10 automatics, 10 revolvers, and 60 cases of ammunition for all the weapons, as well as \$400 in cash.

6 Relaxing Reasons why you'll like sleeping under an Electric Bedcover

(20 million people do, and wake up fresher, too!)

Warmth without weight. One lightweight Electric Bedcover takes the place of 3 or 4 ordinary blankets—ends oppressive weight.

"Just-right" comfort. You can choose any degree of warmth you want—just "tune" the bedside dial attached to your Electric Bedcover.

No "ups and downs" in temperature. No matter how cold it gets, the temperature remains the same. It's thermostatically regulated!

"His and Her dual control" models. Husband and wife can enjoy the degree of temperature each prefers—with one blanket, two controls!

No more icy, clammy sheets. Electric Bedcovers prewarm your bed, end cold-sheet shock. Relaxed sleep comes faster.

For fresh air friends! Enjoy all the fresh air you want. No fear of freezing during the night when you keep warm electrically!

6 more reasons why you'll enjoy owning an Electric Bedcover

Low cost. An Electric Bedcover costs no more than you'd pay to equip a bed with good woolen blankets. And it keeps you warm for just a penny a night!

Easy to launder. You can wash it yourself, or send it to the laundry. It launders as easily as any fine woolen blanket (and there's only one per bed to wash)!

Saves storage space. You get a whole winter's warmth in one compact blanket, easily stored away.

Easier bedmaking. With just one bedcover and one spread, your bed's all made in a minute. Contoured Electric Bedcovers are available, too!

Long life. Extensive research and development of Electric Bedcovers assure you of years of safe, economical, dependable service.

Safe. All Electric Bedcovers are Underwriters Laboratories Approved. Wiring and controls are rigidly tested.

See your electric appliance dealer today... sleep better tonight

"The Pinspotters"

Friday, November 7

Garwood Cleaners had high team series of 736-796-822-2354.

Hilda Segelke was high individual scorer, with games of 155-191-187-533 total. Robbie McCormick had games of 182-170-189-521.

Agnes Gibson bowled 211-162-143-510 and Ann Kanka had 151-154-200-501.

Reeves won two games from Ray's Shell Station.

Economy TV won two games from Jefferson Ice Co.

Marty's Club Villa won two games from Antioch IGA Foodliner.

Bussie's Lounge won two from Grass Lake Lumber.

Les LaMeer Construction won two games from Barnstable & Brogan.

Garwood Cleaners beat Wilson Upholstering all three games.

Ten Pin Topplers

Tuesday, October 28

The Van Pattens had high team series, with games of 772-674-752-2198 total.

Agnes Van Patten was high individual scorer, with games of 160-153-204-517.

Salem Country Club 2049 beat Sexauer Realtor (1958) all three games.

Lakes Co. (1897) beat Tuttle Mink (1815) all three games.

The Van Pattens (2198) won two games from Gibbs & Jenssen (2006).

Adolph's (2147) won two games from Joe & Helen's (2181).

Old Orchard (1985) won two games from Hazelman's (1871).

George's Bar (1898) won two games from Art's Paint Store (1890.)

Major Gutter Ball Girls

Monday, Nov. 3

LaPlant's Masonry had high team series, with games of 711-699-687-2097.

Hildegard Jaeger was high individual scorer, with games of 196-162-147-505.

Mabel Dow bowled 196-162-147-505 for second high.

Fortmann Fuel Oil won two games from Bill's Service Station.

Meinersmann Insurance won two games from State Bank.

La Plant's Masonry won all three from Antioch Launderette.

Cox's Corner won all three games from John's River Inn.

Laursen & Blackman won all three games from Taylor's Shoes.

Wally's Channel Inn won two games from Pedersen's Bakery.

Thursday Night Bi-State League Nov. 6

Haydon Homes keggers hammered out a series of 2671-989, to down Masek's Service Station three games, headed by Ted Ozga's 571

series. The Haydons took over first place undisputed, as the John Gaas were losing two to Carter's Taxidermy. Headed by Earl Hogan and Tom Atwood, who powdered the maples for 607 and 567 respectively.

The Lakes Tile put together lines of 887-985-882, to win two from Economy TV. Gene Barth of the Economy had a middle game of 240.

Top series of the evening were Ken Kirchmeyer, 615-233, and Chuck Loneragan's 255 game. Ken and Chuck helped Kirchmeyer's Construction to win all three games from Rudolph's Turkeys.

Vos Construction won all three from Adolph's Channel Inn. Phil Vos had a big 593-242 for his team.

Despite Vic Grumbeck's 565-225 series, the Beauti-Vue Products team lost all three to Cunningham Cartage. Cunningham's victories were due to consistent shooting by Ward Kiehl and Paul Galati, who had 557-556 respectively.

The big upset of the evening was the Gaas losing two games to Carter's to drop out of first place for the first time this season.

DON'T YOU REALLY BELONG IN A BUICK?

Don't let the beauty of this Buick fool you for a minute... Nor the superb quality of its ride and performance when you try it.

For it's nowhere near as costly as it looks and feels.

That's the BIG THING about the Buicks of today. Almost anyone who's out to get a car can get a Buick, and fit it into his budget with no struggle at all.

And a Buick is an awful lot of car... as more than 4 million Americans will gladly tell you. This '59 Buick, more than ever. It's THE car.

Never before, in fact, have new Buicks caught on so fast with so many people. A success due in no small part to buyers who switched to Buick '59 from other makes of car... in every price range.

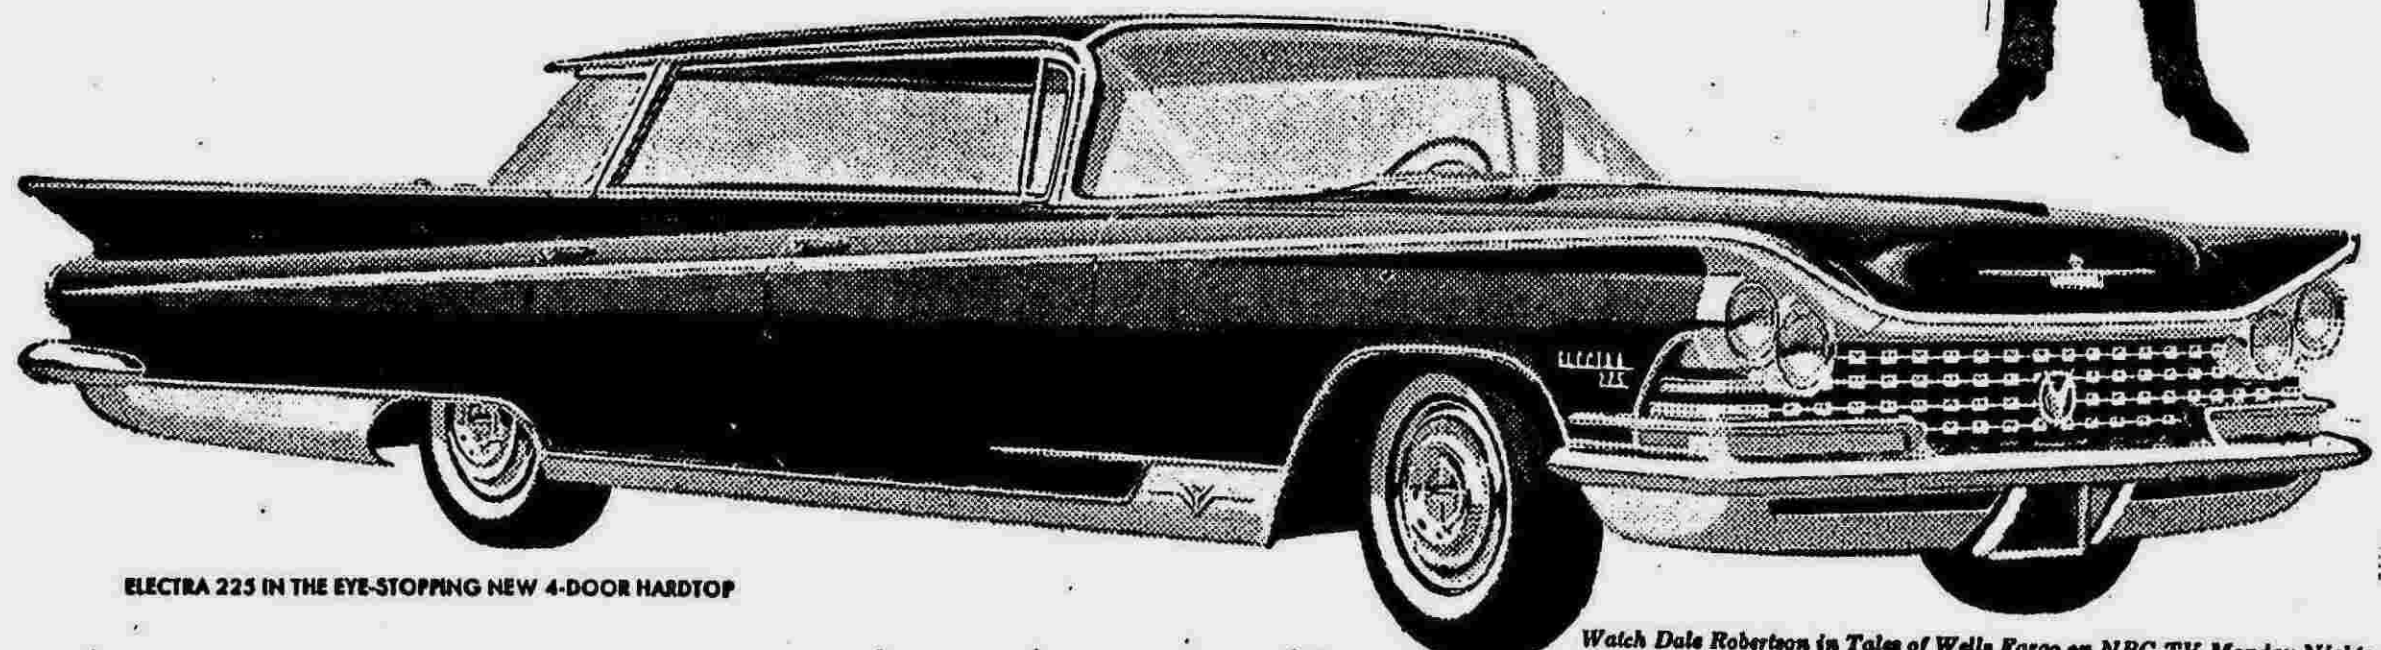

For in a Buick, you own the rightest-looking car there is.

In a Buick, you take charge of the rightest-going combination of engines, transmissions, braking and steering you can find.

And in a Buick, whatever the price, you own something that belongs to Buick alone. You own an automatic share of a special prestige and admiration that is universal. You own a BUICK!

New Equipolux Ride • New Super-Quiet Bodies by Fisher • New Magic-Mirror Finishes • Safety-PLATE Glass all around • New Fin-Cooled Brakes, front and rear • Aluminum Front Brake Drums • New Electric Windshield Wipers • Thriftier, More Powerful Wildcat Engines • New Buick Easy Power Steering* • Exclusive Twin-Turbine and Triple-Turbine Transmissions* • New Automatic Heat and Fresh Air Control*

*Optional at extra cost on certain models.

Driver Charged After Striking Two Other Cars

A car driven by an Ingleside woman was struck by another Wednesday night of last week on Rte. 134 at the Round Lake railroad depot.

Another driver in the three car collision, Edward B. Boyer of 1224 Woodridge Rd., Round Lake was charged with failure to yield the right of way by Sheriff's deputies. After striking Gillette's auto head-on while trying to pull in the depot parking lot, Boyer rebounded into a parked car.

Autos Crash Near Lake Villa; Both Motorists Charged

Two cars crashed on Rte. 45 a mile south of Grand Ave. on Wednesday night of last week and both drivers were charged by police.

The drivers were Jackson A. Ransohoff of Washington, D. C., and Albert E. Pharr of Rte. 45 and Grand Ave., Lake Villa.

Ransohoff was charged with improper passing by sheriff's deputies. Pharr was cited for driving with a revoked operator's license.

TAKING THOUGHT

"It's hard to believe that the whole American Revolution started over just one tax."—The Bradford Republican.

Today's MEDITATION

from
The World's Most Widely Used
Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Romans 1:1-10.

The peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. (Philippians 4:7.)

Walter just could not go to sleep if there had been trouble between him and his father. One particular evening, while we were visiting the home, little Walter had disobeyed and received a light reprimand from his father. His mother had then put him to bed for the night.

Shortly afterward I heard his mother say, "Daddy, may Walter see you for a minute?" His father stepped to Walter's bedside and took him up in his arms. Walter threw his arms about his father's neck, and his father hugged and kissed him and tucked him back in bed. Neither one spoke a word. The little fellow was soon asleep.

So it is with every true child of God. We are not happy and peaceful if there is any shadow of uncertainty between us and our Father. The most important thing is right relationship between God and ourselves, His children.

PRAYER: Our Heavenly Father, how wonderful is the peace Thou givest! Help us so to live this day that we may keep that peace, through Christ our Lord, who

Tips on Traffic Safety

By

CHARLES F. CARPENTIER

Secretary of State

Many Illinois residents are planning fall vacations. Here are a few highway tips for those with such plans.

Never pass on a hill or a curve where your vision is restricted. Keep on your side of the road even though no other car is visible.

Be particularly cautious when driving on unfamiliar roads. When traveling on such routes be certain that you heed all warning signs. Those signs were placed at their locations by experts seeking to save your life and the lives of others.

When pulling out into traffic be sure that the way is clear. Come to a complete stop at intersections where there is a "Stop" sign. If you intend to sightsee, pull your vehicle completely off the road.

Do the same if you desire to stop for a picnic.

And finally, be on the alert for those drivers who are willing to risk their lives and the lives of others to "save" a few seconds.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

taught us to pray, "Our Father who art in heaven . . . Amen."

The peace that God gives every repentant soul is a priceless possession.

Lillian A. Ward (Illinois)
World-wide Bible reading—Luke 7:39-80.

Legal Decision For Local Dairy May Start U.S. Trend

Sales of milk through vending machines soon may be on the increase throughout the country now that Antioch's Willow Dale Dairy Co. has won a legal battle over ordinances governing vending machine use. A Cook County judge last week invalidated a town law in favor of the dairy.

The eyes of the dairy industry have been focused on Willow-Dale's 2½ year court tiff with the Village of Barrington when the village officials first enacted a prohibitory law against the only vending machine Willow-Dale had in the town. A Circuit Court Judge Harry Fisher invalidated the ordinance and the village then enacted a restrictive ordinance. This also has been amended, upon court advice, eliminating several restrictions which were prohibitory in effect.

Willow-Dale is considering further action in asking damages from the village for the 2½ years the machine was not in operation because of the court fight, says Sam Lerner, president of Willow-Dale.

No health issues were involved in the village's original ordinance, Lerner says as none are involved in the prohibitory ordinance now existing at Lake Zurich. Wednesday Willow-Dale planned to ask Lake Zurich officials to permit licensing milk vending machines and they were going armed with the court decision at Barrington.

Lerner pointed out that the Barrington original ordinance seemed to be drawn up by spite or some other personal reason because health was not once mentioned in the ordinance or court proceedings. When the village yielded to the first court degree banning the ordinance, village officials replaced it with a law with such restrictions as a concrete platform in front of the machine; an outside thermometer; a phone booth be next each machine and enclosure of each machine by a screen. Lerner termed these restrictions "silly" and apparently the court agreed as it ruled the second ordinance invalid also.

The dairy company president indicated that now, with this court decision in favor of vending machines, his company would attempt to increase this type of business in the Wisconsin-Illinois-Indiana regions it serves. This is in line with a nationwide increase in the popularity of vending machines for all types of merchandise, he said. At present the venders comprise about 25 per cent of the business of Willow-Dale.

Lerner noted that the Department of Agriculture has advocated increased use of milk and other dairy products consumption with vending machines as a possible solution to helping rid the country of dairy surpluses by getting milk to now hard-to-reach consumption points. Last week Sec. of Agriculture Benson was named Chief Whole Milk at Pocatello, Idaho, in recognition of his attempts to get increased consumption of milk by the people.

310 ON NIU TEACHING STAFF

The size of the academic staff at Northern Illinois University in DeKalb reflects the rapid growth of the educational institution. There are some 310 on the academic staff this year. In comparison, there were 292 last year and only 162 in 1951.

The U. S. Navy's missile age began Sept. 6, 1947, when a V-2 rocket was successfully launched from the aircraft carrier USS Midway.

It is estimated by the American Foundation for the Blind that there are between 11,000 and 14,000 blind children in schools, half of whom are attending public schools, while the balance are in special residential schools.

LEAKY FUEL LINE

Our regular customers at JOE and DON'S TEXACO SERVICE know that the fuel lines of their car motors do not leak. We make it a habit to check the fuel lines as well as the fuel pump for leaks while the engine is running because some types of leaks will not show up except under pressure from the pump. This is just one of the extras we include in our lubrication services.

You, too, will become a regular customer at 970 Main St. in downtown Antioch after you discover that it is a combination of these many extra services that save you car maintenance expense in the long run.

ECONOMY TV TOPICS

(By Harold "Pete" Peterson)

IN AT BOTH EARS

Lots of people wonder about Hi-Fi at ECONOMY TV, wanting to know what it means. Actually, hi-fi means high fidelity, a reproduction of sound in a way that will precisely reproduce the original source.

To come close to understanding what this sound is like place a radio on the opposite side of the room facing your television set. Of course, you must have a program that is broadcasting on both radio and TV. Tune them to the same pitch and you will be surprised at the tone improvement.

Better yet, come into our store on Rte. 173, 1 mile west of Antioch and hear some of the latest hi-fi equipment. You'll be amazed at the enjoyment you can receive from hearing your favorite singers and orchestras by way of high fidelity.

This 4-door Hardtop Cruiser is the luxurious Park Lane by Mercury. Also available in the distinctive Montclair and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

SEE NEW CLEAN-DYNAMIC STYLING

Distinctive—Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

RELAX IN A NEW KIND OF COMFORT

No car in its class has more usable room. For easier entrance, doors are wider than those of costliest cars. Up front—9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't

sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

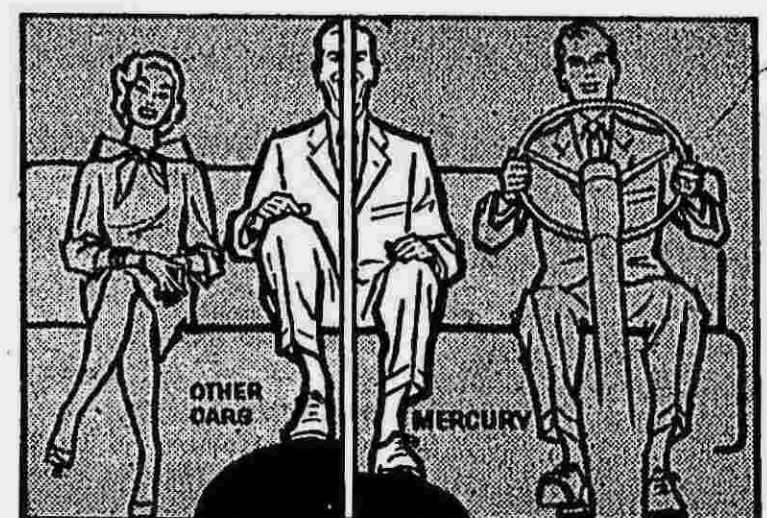

FEEL LIVELY NEW PERFORMANCE

Not just high horsepower—although Mercury offers up to 345—but a new kind of response, quiet, obedient, effortless.

ENJOY NEW ECONOMIES

2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas—it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels—the '59 Mercury. We invite you to try this great car—at our showroom.

NEW COMFORT UP FRONT! That tunnel-hump you'll find on other '59 cars is 50% smaller in Mercury. 3 full-size riders can stretch out (including the man in the middle).

MERCURY'S COUNTRY CRUISERS—Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that faces front. Concealed package compartment.

MERCURY'S FIRST WITH SIDE-TO-SIDE WIPERS—They clear a 42% larger area—a 5-foot swath—including the center section. Only Mercury has this aid to safer driving.

Everything you want on wheels

- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

All beautifully combined in the 20th Anniversary

Marriage Rate Is Heading Downward

NEW YORK—About 1,420,000 marriage knots will be tied in the United States this year, according to statisticians.

In the first quarter of 1958 marriages were 11½ per cent fewer than in the corresponding period of 1957. Moreover, figures available for a few areas indicate that the trend continues downward. If such is the case, 1958 will record the smallest number of marriages in about two decades.

The slump in marriages began in the last four months of 1957. Up through August of last year, marriages in the United States totaled only 1 per cent below the number in the like period of the year before. Since then, however, marriages in every region of the country have been substantially fewer than in the comparable months of 1956.

Only eight states recorded more marriages in 1957 than in 1956. Moderate increases were reported in Oklahoma, Utah, Indiana, Florida, and West Virginia. Largest gains, somewhat over 5 per cent, occurred in Colorado, Nevada, and California.

Every sixth person in the world is a citizen of the Republic of India. With a population of 382,000,000 people, India is the world's largest parliamentary democracy and the second most populous nation on earth.

N. Y. Yankee Pitcher Promises To Try To 'Win One' For Local Kids

Practice, But Play Ball To Enjoy It, Says Zack Monroe

One of the first victories that New York Yankee pitcher Zack Monroe wins next year will be for his friends in Antioch, the Little Leaguers.

The promising rookie pitcher who visited here Sunday to help open the movie "Damn Yankees" at the Lakes Theatre, promised he would certainly try to win one for the kids of Antioch.

But in addition to his promise, he also left some advice to the Antioch youngsters about baseball and even the game of life.

"Play (the game of) baseball to enjoy it," he told the young ball-players from two personal appearances on the stage of the theatre. "Don't get too discouraged if you don't win all the time, but try hard," he said. You also have to practice hard at anything you wish to do well, he added.

In an interview with the Antioch News, he told of several times he has been discouraged in professional baseball and was almost ready to quit. But by continually trying, he has finally reached a pinnacle only about 1 out of 500 ball players in the country reach—being a major leaguer.

In 1954 after he got out of the army, Monroe was assigned to Binghamton, N. Y., of the class A Eastern League and compiled a fair record as a pitcher. Subsequent assignments took him to Denver of the class A Western League where he reached a 16 wins, 7 losses mark. At the end of every successful season he expected a call from New York to join the Yankees. But, every time he was overlooked.

At last, in June of this year, he was called up and proceeded to win 4 and lose 2 for the World Champions.

One of the first questions asked any New York player is "how does it feel to be a Yankee?" Monroe anticipated the question in the minds of every Little Leaguer in the Lakes Theatre audience and told them that "it feels good." You know you're with the best team, he said, but he reminded the youngsters that baseball was more important than a particular team. However he was not pleased to learn Antioch Yankees finished last this year.

But being a Yankee also has discouraging moments, he said.

A freshman pitcher in the big league sometimes has to sit on the bench for long weeks and it happened to Monroe also. Although at one time he thought Manager Casey Stengel meant to pitch away the right arm by asking him to work almost every day, that time was followed by a period of three weeks when he sat on the bench all of the time.

"When I was in Denver I used to tell the other players that I would

do anything just to be on the Yankee's bench, but after sitting there for so long, I thought I would gladly go back to Denver just to be able to play again."

At the interview, Monroe also cited the effects of clean living. He said he seldom smokes or drinks, just because he doesn't like it. But he said that the person who does not smoke or drink seems to have a quality that others look up to.

"Bob Turley is far above me in his pitching ability," Monroe modestly admitted, "but because he doesn't smoke, drink and very seldom swears, the other players seem to admire him for those qualities," he said.

Monroe also paid a tribute to the Little League program and said he admired the young players. It builds team work, which is an important thing even if a fellow doesn't play baseball, he said. And it gives the boys an outlet for their energies so they are not used up on destructive things that contribute to juvenile delinquency, he added. He complimented Antioch's parents for supporting their boys in the youth baseball program.

Lindenhurst
HELEN GRAVES
EL 6-6012

Mrs. C. W. Zorger from Altoona, Pa., is visiting in the home of her son and family, Mr. and Mrs. Walter Zorger, to help celebrate the fourth birthday of her granddaughter, Sherry, Nov. 11.

Happy birthday to Ethel Brendel, who will celebrate her birthday Sunday, Nov. 16.

Congratulations to Mr. and Mrs. Clyde Risk on their wedding anniversary Nov. 17.

The Pinochle club met in the home of Zenia Neumann on Friday, Nov. 7. The next meeting will be Nov. 21 in the home of Sybil Berbes.

Timmy Downs was a guest of honor at a birthday party Oct. 31. A birthday cake with six candles was the center of attraction. Those joining in on the fun were Janet Graves, Ricky Graves, Terri Walsh, David Risk, Danny Risk, Larry McGarry, Bobby Fields, Danny Magnifichi, Barbara Brendel.

COAST TO COAST ONLY 1½ CENTS PER MILE FOR GAS!

Pontiac's new Tempest 420E V-8 sets the year's most important economy mark—Here's the story and what it means to you!

PONTIAC COAST-TO-COAST ECONOMY RUN
San Diego, California to Savannah, Georgia
COMPLETED OCTOBER 17, 1958

DISTANCE	2,442.7 MILES
DRIVING TIME	60.72 HOURS
FUEL CONSUMED	112.5 GALLONS
FUEL COST	\$35.79
MILES PER GALLON	21.7 Average for entire trip
AVERAGE SPEED	40.2 MILES PER HOUR
COST PER MILE	1.465 CENTS

We asked one of America's most respected car testers—"Uncle Tom" McCahill—to put a standard Pontiac Catalina Sedan with our new economy V-8 to the test.

And with only one specification—that the run would be exactly like you would drive coast to coast yourself—in mountains, in city traffic, across deserts, buying gas wherever the tank ran low.

And here's the phenomenal story in every complete detail—all officially certified by NASCAR, America's top automobile competition authority.

What does it mean to you?

Simply—and very importantly—this: For the first time, you can get deep-chested V-8 pep with better mileage than from many smaller so-called "economy cars" . . . and get it on regular fuel!

If you owned a Pontiac with this new Tempest 420E V-8 you'd be saving up to 5 cents a gallon on regular fuel. This new economy V-8 is optional at no extra cost on any Hydra-Matic Pontiac!

See your Pontiac dealer soon—and discover the newest in V-8 performance and economy!
